Overview Full Custom Auto & Marine Shop from full blown custom builds to daily driver repairs we do it ALL! We are a full custom shop all about custom rides. Its hard for other shops to compete with our CUT THROAT pricing. All our work is done in a professional 3 bay shop which includes office/waiting area with tv and ac along with restroom. This isn't a back yard gig like most of the other custom groups or so called teams. We got the shop to prove it which is 100% CRC Automotive! Please
