OverviewHi, Here are some of my paintings. I like landscapes, still life in cool colors and presently I am experimenting with abstract. Take time to look at my work.

Relax. My work conveys my feelings and my views of life. I am not physically present but my painting is an expression of my inner feelings and emotions. I would like to know your inner reactions to what you see. You can leave a comment at the bottom of this page, send me an email or call me. I appreciate any comment you
