OverviewDaphne's love for cleaning and helping people has shined during her 15 years in the cleaning industry. Tired of hearing about horror stories of theft & deception, as well as over priced cleaning companies, she decided to open her own cleaning business, where quality meets affordability. Daphne's Cleaning Service has the best rates around and will outbid any competitor. They are insured & bonded and only hire trustworthy individuals. Each job is different, so taking the necessary time and bein
