

Douglas R. Schotland Architect

131 East Delaware Ave, Pennington, NJ, 08534

Phone: 16097376444

Overview Douglas R. Schotland Architect is a sustainable design practice and Passive House consultancy in central New Jersey. We are committed to fine design, and we work with meticulous attention to detail. Bringing to bear our deep understanding of building science principles, we create healthy, comfortable, energy-efficient buildings ready to meet the challenges of a changing climate. In collaboration with our sister company, Schotland Construction, we are pleased to offer architect-led design-build.

Address Douglas R. Schotland Architect is located in 131 East Delaware Ave, Pennington, NJ, 08534
