OverviewGreenfield Senior Living: As children we were fortunate to have elders devoted to our care. To honor that commitment, Greenfield Senior Living was founded. We have made it our mission to care for those who cared for us. We do this by providing personalized, quality care in our home-like communities. The heartbeat of our organization is our dedicated and experienced staff that daily enriches the lives of each of our residents. It is this passion for caring that sets us apart from all other Sen
