OverviewAt Inspection Express, customer service is all that matters. Doing inspections on cars through years have given us the experience to tell you everything about your car. We offer at Inspection Express the service to repair\replace the small things that includes the Pass\Fail the Inspection in which we please the customer as much as possible. On the other hand Our store has more than Inspection Garage, but more like a one stop and a smoke shop where you can get anything you want from Vapors sup
