Auburn, CA, 95602

Phone: 15303058497

Overview I am a house cleaner that is very efficient and reliable! I have worked with another company for 15 years and she recently closed her doors to do something else so I decided to start my own cleaning business. I can also run errands with dependable transportation and a clean driving record. I have references if you need. I also clean commercial buildings which include reception cleaning, kitchen cleaning and stocking, bathrooms and stocking. What ever the business owner may need
