Overview Mike started out in Carpentry 1986 worked for a Contractor building new homes. I also did concrete, driveways, side walks and walls. Did a bit of roofing. then a bit more and soon found it hard work but kind of fun. The more I did the more local residential and Contractors saw what nice work we were doing and in such uniform. timeliness. Soon we became one of the best leaders in this industry.

Working all over southern Minnesota. Fast, clean and dependable. Communication
