Redford, MI, 48239

Phone: 17344697910

OverviewThe mission of R.A.P.S. is to help determine the type and depth of paranormal activity. It is our goal to examine and assist the affected person or place in becoming free of negative forces in a respectful and confidential manner. We do this through thorough investigations, blessings, cleansings, and in the most extreme cases, exorcisms. All of these are church sanctioned methods of eliminating negative energy.
