Overview About Total Image. Total Image Hair & Beauty Care Service was founded in 1989 as a portable salon to meet the in-between needs of clients. Our beauty care offers a service for those who are unable to attend appointments with their regular stylist. Total Image acts as the bridge that can carry you over until you are able to return to your regular activities. A wide variety of clients benefits from our services, including those in hospitals, rehabilitation centers and extended care facilities.
