OverviewAmazon Styles.com is the offspring of what was formerly known as East of the Sun Fashion Boutique located in Berkeley Ca. It was owned by my parents Mr.George and the late Mrs.Fannie Walker for nearly the past 20 years in the Bay Area. Rev.Fannie Walker my mother just passed away Jan.4th 2013 and I greatly miss her, and she is missed by the family,church and the fashion community, as she was known for supplying the best and latest in fashion and style in women's dress wear for church and all
