Overview For people in the Peñasquitos/Poway area these guys can work well for you. I have a 40 year old tract home in PQ. The plumbing is starting to show its age. On 2 recent occasions, I have called 911 plumbing. They have never taken more than an hour to get to my house. The 1st call was for a catastrophic leak in a shower valve (repaired within 90 minutes). The 2nd was a backed up main drain. Another 90 minute job, even though a trap had to be cut and repaired to get adequate access to the blockage.
