OverviewWelcome to Canada Tree Care I'm Mike Barker and I am the owner of Canada Tree Care. I have set up this web site so perspective clients can learn about my company. I have also added links for useful information about trees as well as links to locate contractors that I network with. Our photo gallery shows before and after shots of trees that we have trimmed and our testimonial page shows current customer feedback from our clients. Every City has its own unique regulations for tree trimming and
