Overview Our mission at Breeze Electrical Services LLC. is to provide quality electrical service in a timely professional manner at prices that are lower than our competitors. My name is Brian Eads Sr. I started in the electrical field in 1981 and have always loved being able to provide unsurpassed quality service to my customers. My son Brian Eads Jr. and I decided to start Breeze Electric when we got tired of the exorbitant prices and substandard service other companies were providing. You can be ass
