

Barrios Electric

56 Lockwood Lane, Norwalk, CT, 06851

Phone: 12039846462

OverviewAt Barrios Electric we strive for excellence in our work and no job is too small. We specialize in residential and commercial repairs, additions, and in new construction. Whether inside or outside, Barrios electric can light your way with landscape lighting or even low voltage lighting. We are also a licensed Generac Dealer and have factory trained staff available for installations, repairs, and maintenance of portable and home-standby generators and transfer switches. In addition, we can in
