

Barrier Systems LLC

7990 Kula Hwy, Kula, HI, 96790

Phone: 13602178215

OverviewBarrier Systems LLC provides the innovative SandMaster attachment that quickly fills, transports, securely closes and places multiple sandbags at or near the area of need. This is an ideal system for emergency flood control and response, erosion control, hurricane protection, spill containment or any use where sandbags are needed. The SandMaster saves both time and money by efficiently creating and placing sandbags at the area of need, drastically reducing the labor force and
