OverviewCruz Tree Services offers residential tree trimming, stump removal, stump grinding, and tree removal services for homeowners throughout Chicago, Illinois, and the surrounding areas. Our team doesn't use huge equipment. We use a more natural approach to tree removal. We do it all with ropes so you won't need to take your fence down or worry about damage to your lawn. Our founders are a husband and wife team who started this company with more than 15 years of experience.
