OverviewServing the Cedar Valley and surrounding areas with great deals and promotions to get your business or personal interest in the media. Being able to shoot up to 4K video with both the drone and handheld camera, you'll receive high quality imaging every time. Both cameras operate on a 3-axis gimbal to provide the steadiest of shots while in the air or on the ground. After shooting your video, another service available is to compile it into a great, media ready product full of transitions, musi
