OverviewTIMELY, RESPONSIVE & PROFESSIONAL I recently retained Acumen Renovations to replace 7 windows and some siding on my home due to hail damage. I wish I'd found them earlier because working with Josh and his crew was so easy compared to my work with other contractors for the repairs. From start to finish, Josh was timely, responsive and professional. He explained the project, showed me numerous siding samples to try and match our existing siding, and went out of his way to be helpful. When the c
