OverviewWe pay cash for your home and close on the date of your choice. We specialize in helping get cash for people fast on their home. Most homes are in need of repairs and the owner is unwilling or unable to pay for the repairs. This could be a tenant that trashed the property, an inherited property, or a violation from the city. No matter the property we can buy properties because we pay cash for the home and are able to buy regardless of the needed repairs. Let us buy your home that is in need o
