OverviewIn 2008 Cosmetics Import was opened as M&H's New Fashion in Hyannis MA. It's good performance and eloquence brought us here, with an opened branch also in Brazil. We've had grown and changed a lot for we started selling Lingerie and a few different types of merchandise on eBay. But the owner loved the business so much that from being a part time, she resigned from her position as a nursing assistant for Cape Cod Hospital to dedicate a full time in this business. Therefore we celebrated 4 year
