OverviewLet's take your logo and put it on a t-shirt for your customers. With apparel decorating we can do just that. Your customers will feel appreciated and you get great advertising at the same time! Garment decorating is great for businesses, fundraising, special events and more, as with most of our products the possibilities are as endless as your imagination! Decorating can be applied on a number of products, typically this specific type of printing is used on fabrics which can include t-shirts
