OverviewI have always loved to be different. Never been a seasoned technical person. However, I love to see beautiful decorations and scenery. For instance, matching earrings, shoes, necklace, and etc. In the office or home, what else better than a handcrafted desk piece that stands out and only you have it JUST FOR YOU OR THAT SPECIAL OTHER! I guess the word is SENTIMENTAL VALUES! Things that cost but are priceless and very special to have. That is my vision for everyone!

Imagine giving someone thei
