OverviewCartoon Mascots is a company that creates all cartoon costumes and mascot costumes for entertainment and product promotions, with worldwide shipping. Heads are made in foam with an interior lining made of a special fabric called tricot which absorbs the latex paint we add to it to create a stiff formed head. Some heads have wire running on the inside part of the mouth to keep it open.

Others have plastic eyes or faces. We do vaccum form but only when needed and we do it with a light weight pl
