Overviewis your number one source for all your cleaning and restoration needs in South Florida. We stand alone on top of the hill when you combine cleaning and restoration in South Florida. But what is even more important is can a company add emergency water damage service to the platform and still be the number one source in Seattle, WA. Water damage restoration or water removal from a carpet or flooring is very difficult to do with 30 minute service. That's what Service Max can do is be there in
