OverviewEnjoy a reminder of the past with model cars from American MotorWerks Inc in Everett, Washington. We design and produce 1:87 scale cars, trucks, and semis with an attention to detail that results in unsurpassed quality and value. The models come in 3D or resin cast vehicle kits for cars and trucks from model years 1961 to the present. Each vehicle is carefully inspected to make sure you get exactly what you remembered. Our team of model masters has more than 140 years of combined experience,  
AddressAmerican MotorWerks Inc is located in 2110 1/2 Broadway, Everett, WA, 98201
