OverviewDerrick Weber, the owner of Dynamic Concrete started in the concrete industry at the age of 16, working with his family pouring residential concrete. In 2005, Derrick started doing commercial work as a concrete finisher around the metro area and traveling the U.S. to expand my knowledge of the concrete industry. Derrick continued this work until 2017 when he decided to start Dynamic Concrete to bring great work and dedication to your home project. We continue to strive to be the best by takin
