Overview This is why hair we offer at frannyhair.com so loved we only obtain raw Virgin Remy Hair directly cut from ponytail so all the cuticles are facing the same direction (This is why the hair won't turn into a Rat's Nest after you wash it if you have brought low quality hair before then you know what I mean Yikes!) WE SEAL all hair with weft glue so when you are running a brush to your hair it does not leave the floor looking like someone just shaved your head and it keeps the weft thin to make
