

# Great State Air Conditioning

---

5928 Shipp Dr, Fort Worth, TX, 76148

Phone: 18173085303

Overview Called Lonnie at Great State to come fix our freon leak at home - he was such an expert. Knew exactly what to look for and what to do to fix it, without breaking the bank. I highly recommend him - honest, efficient and really good at what he does! He has been in the business for over 40 years and is extremely knowledgeable! Plus, he's just a nice guy. :)

Address Great State Air Conditioning is located in 5928 Shipp Dr, Fort Worth, TX, 76148
