Overview
Celebrity Make-up Artist, Master hair stylist, Artist Stylist
Healthy hair has to start from some point, and it most definitely starts off with Kela. Im an innovator that is not only a proven hair stylist, but an established extension technician and colorist as well. My unique formulations and creative color techniques stands me to the forefront of the beauty industry, transforming dull lifeless hair into rich, vibrant, hair sought out by all. In addition my extension techniques give the most
