OverviewOur company has been buying and selling industrial surplus for 30+ years. We get most of our items through contacts we have met over the years, as well as from plant closings, auctions, etc. A vast majority of our items are new in the box, never been used. Others may be slightly used and/or refurbished. Listed, you will see examples of a large quantity of what our business has to offer. We do not sell items through our website at this time, however; our online store can be accessed at <http://s>
