OverviewFounded in December 2012 and located in the technology capital of the South, Atlanta, Georgia, Level 9 Marketing LLC initially entered the \$15 billion APP industry with one goal in mind: to use available technology to provide essential services and information to millions of people from the APP icon on their phones. Knowing that mobile technology is advancing at warp speed and is being driven by consumers who are living busy, hectic lives, Level 9 Marketing understands the need to be connecte
