

JEAs Appliance Repair

Fontana, CA, 92336

Phone: 19099613929

OverviewOur appliance repair technicians service home and commercial appliances, including dishwashers, washers and dryers, stove ranges, air conditioners and heating units, refrigerators, and microwaves. Larger appliances are generally repaired on-site; smaller appliances may be repaired at a shop. Our appliance repair technician installs and troubleshoots washers, ranges and other large appliances for our customers. Repair technicians must repair or replace any defective components found in applian
