OverviewWe are a free-range, cage-free dog boarding and dog daycare facility.

Dogs who come to the Paradise dog ranch get to play with other dogs all day on 5 beautiful acres of forested, fenced, fun! At night all dogs bed down indoors together as a pack in small rustic cabins that are heated, cozy, comfy and clean. We only accept socialized, friendly, non aggressive dogs who are current on all vaccinations.

Let your dog run with the pack!
