Overviewwriter musician professional fly tier Above are my three principal areas of expertise. I have a trilogy in novel form. It is about a young couple's love affair and their interaction with animal life in central New Hampshire, starting in the 1950s and progressing through two generations. I am also a singer/songwriter with six albums produced by Tate Music Group. I am also an expert, professional Atlantic salmon fly tier with frames of exotic flies for collectors. These flies are dressed with
