Overview Kristy uses advanced methods to help her clients change at a much faster pace than talk therapies. She specializes intervention such as regression, gestalt and anger management. It is her Motto that you must get to the core issue's where the problem originated and heal where it was born. Talk therapies do not break through as fast the walls of denial and enter the unconscious. To break destructive patterns Kristy is able to reach them. I am new in the Denver Area and am offering anyone who's
