OverviewAt Lara's Candle Shop, we strive for perfection in everything we sell.

Highly scented candles, attention to detail, and using only the finest ingredients in all of our products is what sets us apart from other candle sites. Our candles are handpoured at the time an order is placed. Our candles don't sit on shelves to collect dust for months. These candles have a soft,highly scented wax recipe for all container candles. Our highly scented candles burn clean right down to the bottom.
