Overview Lazertag Revolution brings mobile laser tag gaming to you for ALL ages, occasions, and settings. Our guns are loaded with true to life military sounds, infrared lasers that shoot up to 150 feet, and multiple play options. Camouflage yourself behind hunting screens, race around tanks and barrels, or hide out as a sniper in a tent! Celebrate your next special occasion by creating a team building event, throwing a party no one will ever forget, or customizing a special mission.

Why just play you
