Overview Breeding Quality St. Bernards for more than 35 years. We have been raising and selling St. Bernards for over thirty-five years! Our grandchildren always love to come out and play with both the adults and the puppies. Our goal is to breed for kind/ gentle personality, good body structure, drier mouth, good bone structure, and a large dog. We love to hear back from clients to hear how they are enjoying the new addition to the family. We would like to share some of stories with you.
