

# LIFELINE CARPET CLEANERS

---

13917 3RD W AVE, EVERETT, WA, 98208

Phone: 12067436877

Overview Here at Lifeline Carpet Cleaners we take pride in quality and customer satisfaction. This is why we use nothing but ROTOVAC Technology. 95% of carpet cleaners use the wand. This means you rely on the cleaners endurance and usually get an average clean on half of your carpet until he cant scrub anymore. Our Rotovacs are the new carpet cleaning technology with two motors and two multi-directional heads giving you a deep perfect clean throughout your whole home.
