OverviewMakkela is a trademark company that offers a wide selection of handbags and accessories with authentic Mexican's embroideries made by a group of indigenous women in Chiapas, Mexico. Makkela means beautiful and elegant in Mayan Dialect. We chose this name because we want to help and promote the richness cultural and art of Chiapas, which is our homeland. All our products are handmade with embroideries weaved using the technique of a back strap loom. The art of weaving has been a tradition and
