OverviewMotor Club of America is a Roadside assistance company. Its something like AAA but when I tell you its Waaaaay better, I mean way better. It gives you a benefit package of over 150,000 dollars worth of benefits for you AND your family. All you have to have to start is \$40. The 40 dollars of for the benefit package thats has all the benefits people are going crazy over. It covers you for 2 months, then it will be \$20 dollars a month after those two months. Compared to what you'll be
