Overview NaturalStar Entertainment was formed back in the year 2000. Our business is based on creating R&B, Hip Hop and Pop music. Either writing and producing a full song or just simply producing a track. Intern I sell the songs and tracks with full exclusive rights and also non-exclusive rights and we also lease. I take our line of work very seriously and we always give 100% in creating great, timeless music. I

cater to the needs of the artist(s). You can contact me through email
