Overview Neighborhood Express Cleaning has been in business for over 25 years. We started out in New Jersey and expanded in Florida in 2011. Not only are we family owned but we also do the work along with our employees. We offer cleaning and painting services for apartment community, residential and pre / post construction. My husband and my self have worked in the property management business For 12 years. My husband was a maintenance supervisor and I was a property manager. We know what it takes to
