

Net Services Llc

206 N Washington St, Alexandria, VA, 22314

Phone: 17035498080

OverviewNetServices is a small, minority-owned IT services firm with a reputation for high-quality, cost-effective solutions that produce lasting results. In an industry full of contracting firms, our small size and commitment to retaining the outstanding talent we rely on sets us apart. Our Values: We believe that quality work starts and ends with people. We regard the solutions we produce as a reflection of the company we are. We believe that lasting relationships with clients produce the most effective results.
