Overview Parker Oil Company is Southside Virginia's hometown energy source. We're big and sophisticated enough to meet the fuel needs of any business, but we're also friendly and attentive enough to keep the loyalty of homeowners throughout the region. Lewis W. Parker Sr. founded our company in 1935 to provide professional, reliable fuel delivery in Southside and northeastern North Carolina. The Parker commitment to excellence won us many loyal customers and helped us grow steadily, year after year. T
