Plaster garage has over 40 years experience in foreign and domestic automobiles and bikes. Plus, recreational vehicles, such as, ATVs and motorized bikes / scooters. In recent years, we have expanded our services to include the popular Chinese bikes . This website is under-construction. This page is a sample list of pages to come. Under-construction is a page about my new book, PDP Wizard Book 1. This is a how-to-repair book, which addresses the most common problems on chain, sprockets, and r
