OverviewHello, my name is Buddy Rose, owner of Prestige Plumbing. Some of my earliest memories as a child were going with my father on plumbing jobs and handing him tools. I have always been interested in the plumbing profession and what it stands for. Plumbing is a trade that holds a large part of health and safety to the general public. In 2006 I obtained a law enforcement degree and truly loved that career but could not shake the plumbing bug. I was one of the youngest applicants in the state of O
