OverviewTHE BEST PIZZA IN TOWN!!! We all love pizza. It is one of the most popular food choices available in America today. No matter what kind of toppings you love, you can find a pizza catered to you. Pizza shops are the best places to eat out. They always have unique menu items. In my hometown of Columbus, Ga, we have a few different shops with specialty pizza like Supreme, Meat Lovers, Vegetarian, and even off-the-wall pizzas like Barbecue Sandwich and Hawaiian Delight.
