OverviewR.E.M. AEROSPACE METAL R.E.M. Aerospace Metals, our company. We are made up of two combining companies. The oldest began in 1989. But old or young, they have a common bond: aerospace metals are their business. Aerotech and Evans Industry, are now operating under the R.E.M. Aerospace metals banner: As the customer or the supplier of one of these two companies, you may ask what this pulling together of our two companies can do for you. For one thing it makes clear a fact that may not have been

AddressR E M Aerospace is located in 3411 Sw 49th Way Ste 6, Davie, FL, 33314
